#### AWARD OF KING EMPEROR CADETSHIPS.

The following press communique, dated 26th October 1932, issued by the Government of India, Army Department, New Delhi, with regard to the Institution of King Emperor Cadetships tenable at the Indian Military Academy, Dehra Dun is published for general information:—

Indian cadets at Sandhurst were eligible for King's India Cadetships. Now that the Indian Military Academy has been opened at Dehra Dun, it has been decided that cadets at that institution will no longer be eligible for King's India Cadetships; but with effect from 1933 they will be eligible for similar cadetships which will be known as King Emperor Cadetships and will entitle their recipients to admission to the Academy. The rules governing the award for these special cadetships will be as follows:—

- (1) The cadetships will be open to;
  - (a) the sons of King's commissioned officers, or Viceroy's commissioned officers; and
  - (b) the sons of gazetted civil officials.
- (2) The cadetships will be awarded by His Excellency the Viceroy on the recommendation of His Excellency the Commander-in-Chief.

- (3) Not more than two cadetships will be awarded each term and then only of suitable candidates are available.
- (4) No cadetship will be awarded except to candidates who have qualified at the Indian Military Academy Entrance Examination.
- (5) Applications for the grant of cadetships are forbidden and, if received, will be disregarded.
- (6) King Emperor Cadets will be eligible to receive remission of fees up to, but not exceeding 75 per cent of the regulated fees and contributions for the ordinary full course at the Academy. But such remission will not be an automatic consequence of the award of a cadetship, and will only be made, if justified by the pecuniary circumstances of the cadet. The extent of the remission, if any, will be decided according to the merits of each case.
- (7) Any cadetship granted to a cadet who does not succeed in securing one of the first twelve places in the open competitive examination will reduce correspondingly the number of nominations (8 a term) which can now be made by His Excellency the Commander-in-Chief and which as already announced will ordinarily be given to the next three candidates on the examination list.
